

- 18 to 40 HP KOHLER Engines with Auto Idle Down
- HOT WATER READY with 20 & 25 AMP recharging
- Engine returns to idle when trigger is released
- On belt drive units the pump stops turning when the gun is released

## ALLISON IRON HORSE P R E S S U R E   W A S H E R S

While other companies are content with producing 'flashy' disposable systems which are little more than attention-grabbing styling fantasies, Allison Iron Horse has always been developing to a far higher and more complete level of engineering than what our industry has grown to know as 'typical'.

# Soap For Hope

*"touching a life one bubble at a time"*

**When you purchase Soap for Hope Chemicals from EnviroSpec 2 things happen.**

1. You will be purchasing the products that professionals have been using since 1972. Since we only manufacture for the professional contract cleaner it stands to reason that our environment friendly products are - without question - the very best money can buy, the fastest working and the safest in the industry. They have to be! Professionals have to get it right the first time. Beyond that - they have lost money!
2. 100% of the profits from every purchase is donated to animal & children's charities.

It has never been about huge profits at EnviroSpec. It's about enjoying what we do, bringing new and exciting things to our industry, providing you with incredible value and technical help and above all giving back to those who need it most. Are we pushing for a little bit of your business?

***You bet we are. We have a lot of hungry mouths to feed.***

- Truck Wash
- House Wash
- Concrete
- Decks/Roofs
- Restaurants
- Pre-Paint Prep

**So many products & the best technical help in the industry.**

# **SERVICE SCHOOL EQUIPMENT BUILDING**

Do you have to rely on others to keep your equipment running?

If you do you are already...

**'Out of Business!'**

*You just haven't realized it yet!*

The ONLY way to learn how to keep your equipment running is to build a system from the ground up. Once you do this you will be able to keep all of that 'hard earned' money for yourself!

**LEARN FROM THE BEST!**

EnviroSpec

Allison Iron Horse

& Soap for Hope

are the three companies who have taught more people how to stay in business and be profitable than any other company in the industry.

**3-DAY SCHOOL**

**on Jekyll Island, GA**

**March 4, 5, 6, 2010**

You will help build a 40 HP Dual Pumper, a 30 HP Belt Drive with clutch and engine idle down and you will be able to touch and play with every accessory imaginable. And to top it off we will make sure that when you leave not only will you be 10 years ahead of your closet competitor but you will never, ever have to call a distributor to fix your equipment again.
