

# ***SPEED-UP PRODUCTION and increase your bottom-line!***

## ***EVER STOP TO CONSIDER***

just how much time it takes to apply the soap? The answer is SECONDS. But when it comes to rinsing the answer is MINUTES!

## ***SO WHAT'S OUR ANSWER? EASY! JUST ADD...***

...1-gallon of SPEED-X-777 to your favorite 55-gallon drum of detergent and not only will you cut your rinse time by up to 75% but by doing so you will be saving valuable water!

***THE SOLUTION IS...***

# ***SPEED-X-777***
