

Suzie's Friends

ANIMAL SANCTUARY

Suzie's Friends is the County's only State Licensed Agency. We support but are not affiliated with HOPE or any other animal agency. Your tax deductible donation will go a long way toward helping us find homes and care for these abandoned animals. Our Vet bills alone run \$25,000.00 per year. We have tried not to bother anyone for years but like everyone else we are not immune to the economy. They desperately need everyone who can - *to help.*

Please donate to: Suzie's Friends, Inc. - 751 MLK Highway - Homerville, GA 31634

Please share your life with one of these beautiful animals. In recent months we are finding that more and more families can no longer provide for their pets. As a result they are finding their way to Suzie's Friends. Nearly half of all animals that enter our sanctuary never make it out. Too many dogs and cats in shelters everywhere don't get a second chance simply because there is no one to adopt them. Suzie's Friends is one of the few 'no-kill' facilities in the State. We desperately need your help to make room for others who may never have a chance to survive. *Please support us so others will have that chance.*

SAMPAN...

was a rescue from the old strip mall on Jekyll Island in 2006. She is very affectionate & social. Gets along well with other cats. And yes, she is a Siamese.

Oh - and did I say...
...*she is beautiful!*

ANNA...

is an 8 year old yellow lab/sharpei mix. She is very quiet & mild mannered. She is looking for companionship & attention & would make a great house pet. She is not good around cats but likes the boys if she can be the boss.

TARA...

was found in the bushes at the Sanctuary at 4 weeks of age. She has since turned into a loving & feisty 6 month old kitty. Her friends call her "Tara", her playmates call her "Terror". Need some fun? *Then you need a Tara!*

COCO...

is an 8 year old Chocolate Lab who has been with Suzie's Friends since 2003. Cocoa is very active & plays hard. He has a great personality & is very loving. He is not good around cats but we have others that are.

TOM...

was a rescue cat & is 4 years of age. Tom "rules the roost" & does not care for the company of other male cats or dogs. He would prefer a quiet environment. Tom enjoys being petted & brushed. (Yellow)

PICKLES...

is a 2-year old Jack Russel mix. He was recently found with 4 others who were roaming our streets looking for food, a warm place to sleep and a gentle voice to calm his fears. He trembles alot & just needs some love.

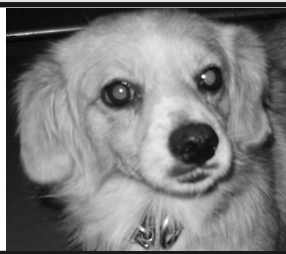

VOLUNTEERS NEEDED to help socialize the kitties.

It would be great if you could spend a little time with them in the afternoon.

Please call Tina and let her know what times you are available.

HONEY...

is a 2 year old Cocker mix. She is very quiet, gentle, sweet & playful. She was rescued along with Pickles & 3 playful black lab mixes. She would be a great addition to your family. All she needs now is a chance.
