

Affordable, All Day Comfort

At Tingley, We Believe "Economy" Doesn't Have To Mean An Uncomfortable Fit Or Poor Performance

When you are working in wet, muddy conditions, our General Purpose PVC knee boot provides easy walking and all day protection.

- Injection molded construction for 100% waterproof protection.
- Flexible upper material stays supple in cold temperatures to make walking easier.
- Tougher outsole material for good abrasion resistance.
- Steel toe meets ASTM F 2413-05 M/II/75/C/75.
- Self cleaning cleated outsole, spits out debris as you walk.
- Removable flat high loft cushion insole, wicks perspiration to help keep feet dry and comfortable.

Even our general purpose boots must meet Tingley's high standard for quality and performance.

Cleated Outsole:
Spits out debris for great traction.

Ideal Applications: General purpose in Agriculture, Industry, and Construction.

Chemical Resistance: Fats, certain acids, hydrocarbons, caustics, and other chemicals.

GENERAL PURPOSE KNEE BOOTS CLEATED OUTSOLE
