

ENCLOSED ARE OVER
\$4,200.00 IN COUPONS

for items that every Power Wash Company uses every day!

There are an incredible number of reasons why EnviroSpec is the industry's LARGEST 'full-service' supplier to the Professional Power Wash Industry. Here is but one and a very important one at that...

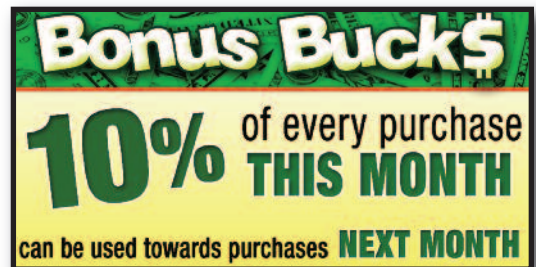

...INCREDIBLE SAVINGS!

The first thing that we want to do is to let you know just how serious we are about being your 'hardest-working' supplier whose only interest is providing you with the best products at the best possible prices and then backing them up with the industry's highest rated technical services staff. So to start this relationship off on the right foot you will find attached...

OVER \$4,200.00 IN COUPONS

In addition, every customer receives a **FREE BONUS BUCK ACCOUNT** that provides you with additional savings over our already lowest industry pricing. Here is how it works.

If last month you spent \$850.00 we will put into your Bonus Buck Account 10% of those purchases, or in this case \$85.00, for you to spend this month. You can use your Bonus Bucks to reduce this months purchase up to 10% until all of your Bonus Bucks have been used. Example: If you have \$85.00 in Bonus Bucks and you place a \$500.00 order this month then 10% (\$50.00) of the \$500.00 order can be paid for with Bonus Bucks. You will still have an additional \$35.00 in your account should you decide to make another purchase in the same month.

If you are a Veteran owned Company we first want to say *'thank you for your service'* and then we want to enroll you in **MAP** (Military Appreciation Program) where you will receive an additional 10% savings. Contact Dan or Heather Galvin at 800-346-4876.

For more information on these and *many other* great opportunities offered by EnviroSpec please visit us at www.envirospec.com and thank you for the opportunity to serve.
