#1 Selling Truck Wash**

We also have 2-variations
that tackle 'job-specific' problems!

We add to Prodigy

Special Film Removing Solution
for 'TOUCH FREE' CLEANING
and call it...

BOND BREAKER

As a vehicle 'cuts' through the air particles, the surface as a result of what some professional mobile washer knows that until now the only way they have been brushing the entire trailer.

Bond Breaker effectively removes 97% of dirt without ever having to touch the vehicle. We have been cutting cleaning time for contractors.

We have the best Chemical Sales Staff serving Our customers! Call today for a list of dealers living using **Bond Breaker**.
