OUR LINE OF ACCESSORIES

## Our line of accessories

### *Innovative approaches by thinking outside of the box*

*The way we meet the needs of the customer has enabled us to innovate and to improve on a poor product, so that finally it meets the requirements of the user; more performance, more useful, safer and more comfortable than the products of the past.*

*The only thing that will remain unchanged with respect to the products of yesterday is its selling price, which will be of great benefit to our distributors and clients, and of great concern to our competitors.*

### ***The reason for a new line of high pressure washer accessories***

*It is well known that through the gun and the lance, the pressure washer can transmit strong vibrations from the pump to the user.*

*The strength generated by the pressure and force of the water jet that exits the lance through the nozzle, together with the shocks caused by the repeated opening and closing of the trigger of the gun can cause stress that can fatigue the hands, forearms and also the shoulders of the user. In some cases this can result in "tennis elbow".*

*This is a genuine and serious occupational hazard that affects users of high pressure washers.*

*Club dei Riparatori of Idrobase, with its new line of accessories transforms what was previously tiring and stressful cleaning into a simple and relaxing job.*

**CdR® 90 and 990 are professional guns.**

*The ergonomic grip* enables the gun to be held comfortably and securely, and distributes the force applied to the gun by the water jet evenly through the hand. The surface of the gun that is in contact with the palm was specifically designed in *soft rubber* to cushion the vibrations transmitted by the pump.

*The inclination of the gun* connected to the lance is perfectly balanced, reducing the force imparted by the water jet.

**CdR® 90 spray guns**

Max: 280 bar-4050 psi, 25 l/min-6.60 USGpm, 150 °C-300 °F

Code	Inlet	Outlet	Weight gr. oz.
CDR.7400	G 3/8" F	G 1/4" F	650 22.8
CDR.7402	G 3/8" M	G 1/4" F	670 23.5
CDR.7403	M 22x1,5 M	G 1/4" F	685 24.0

**CdR® 990 spray guns**

Max: 345 bar-5000 psi, 40 l/min-10.50 USGpm, 150 °C-300 °F

Code	Inlet	Outlet	Weight gr. oz.

CDR.7408	M 22x1,5 M	M 22x1,5 M	685 24.0

**Lances**  
- CdR® 80 moulded handle

The spare parts branded "CdR®" exclusively refer to products by Club dei Riparatori® by IDROBASE®

**CdR® 80 professional moulded handle lances**

will offer the user the following advantages over the previous, old models:

- *A rubber casing covers* the space between the gun and lance combining them into one. This unique solution, the only one in the world, protects the operator from potential electric shocks and therefore satisfying health and safety regulations.
- *The ergonomic handle*, as well as making the lance enjoyable to use, makes it easy to hold and reduces fatigue that can result after heavy, continuous use. Even under heavy usage the lance does not tire the arms and shoulders.
- *The bend* is designed to perfectly balance the strength of the water jet against the weight of the gun. The result is a lance that the operator can use with just one hand.
- *The special nozzle cover* protects the nozzle and eliminates the possibility of scratching the surface being cleaned and gives the operator a useful guideline to follow while washing.

**CdR® 80 moulded handle lance with bend**

Max: 280 bar-4050 psi, 40 l/min-10.50 USGpm, 150 °C-300 °F

ZX.7126	1200	47"	G 1/4" M	1/4" NPT-F	880	30.8

Made of stainless steel AISI 304

### CdR® 55 professional vented handle lances

will offer the user the following advantages over the previous, old models:

- **Soft handle** provides thermal insulation and a secure connection which allows the handle to be housed securely next to the gun, thus combining the two components into one.
- **The bend** is designed to perfectly balance the strength of the water jet against the weight of the gun. The result is a lance that feels more like a feather in the hands of the operator and can be used effortlessly even with just one hand.
- **The special nozzle cover** protects the nozzle and eliminates the possibility of scratching the surface being cleaned and gives the operator a useful guideline to follow while washing.

### CdR® 55 vented handle lances, with bend

Made of chromed steel

**ZX.7019**

Brass adapter fitting Kärcher, inlet M 18x1 F, outlet G 1/4" M.

It is ideal to mount inlet G 1/4" F nozzles on lances fitting Kärcher with connection M 18x1 M.

gr. 30  
oz. 1.8

**CDR.7023**

Tip retainer, M 18x1 F

gr. 30  
oz. 1.1

**CDR.7024**

Brass nozzle holder, G 1/4" F-M 18x1 M

gr. 30  
oz. 1.1

**ZX.0154**

Set O-Ring for brass nozzle holder (code CDR.7024)

gr. 20  
oz. 0.9  
quantity 1x100

**Spray guns**  
- CdR® 90 and 990 with extension

The spare parts branded "CdR" exclusively refer to products by Club dei Riparatori® by IDROBASE®

## Lances - Extension and nozzle holders

The spare parts branded "CdR" exclusively refer to products by Club dei Riparatori® by IDROBASE®

### CDR.7409

**CdR 60 vented handle extension for gun, 380 mm-15".**  
Made of chromed steel,  
inlet G 1/4" M,  
outlet M 22x1,5 F.

gr. 440  
oz. 15.4  
280 bar-4050 PSI, 40 l/min-10.50 GPM, 150 °C-300 °F.

### CDR.7410

**CdR 70 extension lance without nozzle holder, 580 mm-23"**  
Made of chromed steel,  
inlet M 22x1,5 M,  
outlet G 1/4" M.

gr. 400  
oz. 14.0  
280 bar-4050 PSI, 40 l/min-10.50 GPM, 150 °C-300 °F.

### ZX.7113

**CdR 7 nozzle holder with black protection.**  
Made of zinced steel,  
inlet G 1/4" F,  
outlet 1/4" NPT-F.

gr. 45  
oz. 1.6

### ZX.7140

**CdR 7 nozzle holder with blue protection.**  
Made of stainless steel,  
inlet G 1/4" F,  
outlet 1/4" NPT-F.

gr. 45  
oz. 1.6

### CDR.7026

**H.p. ball quick nozzle holder with black protection.**  
Made of brass,  
inlet G 1/4" F,  
outlet "quick".

gr. 70  
oz. 2.5  
250 bar-3600 PSI, 30 l/min-8.00 GPM,  
90 °C-195 °F.

## Lances - Double lances and surface cleaners

### AL.391317

**Double lance 1005 mm, straight,**  
inlet G1/4M, outlet 2x1/4 NPT-F,  
melted handle, with nozzle holder  
and protection

gr. 1100  
oz. 38.5  
280 bar-4050 psi,  
40 l/min-10.50 USGpm, 150 °C-300 °F.  
Made of chromed steel pipe

### MV.0202004721

**Double lance extension 700 mm-27.6"**  
**with insulated handle,**  
inlet M 22x1,5 M, outlet 2 x 1/4" NPT-F,

gr. 1100  
oz. 38.5  
280 bar-4050 psi,  
40 l/min-10.50 USGpm, 150 °C-300 °F.  
Made of chromed steel pipe

### CDR.0358

**Plastic surface cleaner,**  
inlet M 22x1,5 F, 210 bar-3050 psi,  
15 l/min-4.00 USGpm, 60 °C-140 °F  
*Suitable for semi-professional use. Rubber surface  
cleaner with revolution nozzles device. Rubber cover,  
stainless steel and brass revolving arm device,  
400 mm-15.8" extension.*

gr. 3600  
oz. 126.0  
Supplied  
without nozzles

## Spray guns - Professionals

### AL.017433804

**Spray gun SK2,**  
inlet G 3/8" F,  
outlet G 1/4" F,  
250 bar-3650 psi,  
25 l/min-6.60 USGpm,  
60 °C-140 °F

gr. 340  
oz. 11.9

### AL.017433800

**Spray gun SK2,**  
inlet M 22x1,5 M,  
outlet G 1/4" F,  
250 bar-3650 psi,  
25 l/min-6.60 USGpm,  
60 °C-140 °F

gr. 340  
oz. 11.9

### CDR.0300

**Spray gun,  
compensated blue,**  
inlet G 3/8" F,  
outlet G 1/4" F,  
350 bar-5100 psi,  
30 l/min-8.00 USGpm,  
160 °C-320 °F

gr. 660  
oz. 23.1

### CDR.1259

**RL56 spare parts kit**

gr. 11  
oz. 0.4

### CDR.0955

**VEGA spare parts kit**

gr. 11  
oz. 0.4

### ZX.0339

**MV 920 spare parts kit**

gr. 16  
oz. 0.6
