PLEX-MASTER

Dan Galvin of East Coast Power Wash makes **hundreds of thousands** of dollars promoting his annual PlexMaster followup program
Contains Silicone Hardeners

Available Sizes

Add 1-Gallon of PLEXMASTER to 10-gallons of water and further dilute through an Allison chemical injector at a rate of 20 parts water to 1 part diluted product. Requires a very quick and easy rinse.

5-gallon container makes 55-gallons Part #PLE5

To determine which product is best suited for your operation see the inside front cover for the explantation of this chart.

Foaming Action / Rinsing Speed / Water Softeners / Silicone Hardeners

Mildew Retardant & Surface Protector with Gloss Enhancers
Specifically formulated for the Exterior House Washing Industry

Plex-Master is a blend of silicone, silicone hardeners and polymers that will rejuvenate dull and damaged vinyl, aluminum and painted metal and wood surfaces.

Plex-Master contains a unique blend of additives that will not only kill the mildew 'root bed' but keep the surface 'mildew free' for up to 1-year from application.

The Plex-Master process provides a distinctive edge that will separate the Professional Mobile Washer from the *"Splash N' Dash" house washer*. For just pennies per job the professional contractor can provide the homeowner with a *'cleaner clean'* and a *'brighter shine'* and keep it looking that way for 1-year from the date of service

Plex-Master is the closer! With the addition of this service in your sales presentation you will be washing houses for $400.00 and up even if your competitor quoted the job for $79.95. This is a fact that has been proven time and time again.

Mildew, which will form on virtually anything, will be much easier to remove when the surface has been coated with Plex-Master. In most cases the homeowner will be able to keep the surface looking *alive* and free of mildew for up to 1-year with an occasional rinse down using a standard garden hose. Another great feature of Plex-Master is that once applied and rinsed before it has been allowed to dry, the windows will be *'squeaky'* clean.

Live in your world. Power Wash in Ours.

A professional is one who takes the most time performing his trade.
