*Perfect 'Step 2' of Acid/Alkaline cleaning process

IN-BETWEEN SURVIVAL AND MADNESS LIES 'OBSESSION.' John Allison

Our entire cleaning philosophy was set in motion in the early 70's when John Allison, the owner of EnviroSpec, started his mobile wash business and quickly realized that if he was ever going to succeed he had to learn how to make his own cleaning detergents. He did and the rest is history.

With groundbreaking technology such as SuperFlo Polymer and Gloss Enhancers, today the EnviroSpec arsenal of high performance professional mobile wash chemicals are the industry's first choice. A testament from the pro's who use our products is summed up in four simple words: *The best or nothing.*

Mr. Muscle has a 40 pound base of Prodigy, the industry's #1 Selling Tractor/Trailer Wash, plus a separate container of a 'high-yield' solvent additive that really cranks up the horsepower and safely cuts through the heavy build-up of carbonaceous pollutants such as the exhaust typically found on over-the-road trailer bodies and fifth-wheel grease!

USE THIS PRODUCT when vehicles are extremely dirty and when exhaust carbon, grease and oil is 'caked' on the surface or when accounts only wash every 8-16 weeks. Contains Gloss Enhancers.

EnviroSpec has always predicted it's future through creation.
