JUST HOW GOOD IS AN

Allison

Severe Duty Performance Pump?

EnviroSpec will provide a full 2-year labor warranty on Allison Severe Duty Pumps purchased individually or any Allison Severe Duty Pump that is installed on a machine that we manufacture. Just return it to us pre-paid and a certified systems technician will perform a 42-Point Inspection, clean and change the oil. During any service we will alert you should we see parts with critically diminished service life.

Our job and promise is to keep your equipment running with little to no down time and we do that by providing our customers with a certified pump inspection and service program that you can't get anywhere else.

ALLISON 'SOFT-TOUCH' UNLOADER

Once you use this unloader you will never use another style.

For those of you who like the K7... I guarantee that you will love this unloader.

It feels better than the K-7 and another great feature is that you adjust it like a pressure actuated unloader.

This unloader will not cycle like the K7's.
