ENVIROSPEC CONTRACTOR ROUND TABLE JUNE 18-19, 2009

Anyone can show you how to spray soap on something and rinse it off; at EnviroSpec we want to show you how to organize and run a successful business. We will have enrolled some of the finest industry experts to show you how to setup your company for success and methods to save on your bottom line. The networking and years of experience in the room will be some of the best information you will ever find...ANYWHERE! Cost per person \$50.00 - We are limiting enrollment to 75 people and the fee includes lunch and a snack on both days of the meetings.

Limited Space! Call for reservations today! 1-800-346-4876

Event Location: Radisson Hotel Milwaukee North Shore - 7065 North Port Washington Rd - Glendale, WI 53217

ALLISON IRON HORSE CHEMICAL INDUCTION SYSTEM

12 Volt, High Volume Comes Complete with:

- Allison High Induction Chemical Injector
- 4 additional, easily interchangeable nozzles that will allow you to use this system on any pressure washer from 2 GPM thru 10 GPM.
- Induction Pump mounted on a convenient 'hand carry' base plate.
- This System can be detached from the Chemical Injector and utilized to spray undiluted chemical when you purchase Part #1596 which is a hose and gun assembly.

*The Injector comes set up with convenient 'quick connects'
To be used with pressure type unloaders only.
Not sure what you have? Call!*
