

Legacy Hose Reels

Fully assembled and ready to use!

Legacy hose reels were designed for ease of use and durability in commercial pressure washer applications.

Offering 100' and 200' reels in both a fixed base and 360 degree rotating base. The oversized reel holds the advertised length plus leaves additional space reducing the difficulty of reeling hose. The unique extended swivel improves the hose connection and reduces hose wear and stress.

Features:

- Rugged heavy-duty construction** for commercial applications.
 - Heavy gauge steel fabrication
 - Gloss black powder coating
 - Easy to use brake mechanism reduces unwinding backlash
 - Oversized heavy-duty locking mechanism prevents slippage during reel operation.
 - Durable handle
- “Flip-Over” hose guide:** Allows ease of use from either side of the reel
- Oversized:** Oversized to easily fit the advertised length of hose. When we say 100' we mean 100+ feet will easily fit.
- New swivel design:** The reels come with an extended swivel which prevents bends and stress on the hose where it attaches to the reel. Swivels carry a two year warranty.
- Rotary mount:** 360 degree rotation with an oversized heavy-duty locking mechanism. Allows for continual alignment with the hose.
 - Mount to round or square tubing
- Fully assembled:** Ready to use out of the box. Saves time and money.
