What we thought up 15 years ago...

EnviroSpec - innovators of the Pressure Washer Industry!

...you are finding on our competitors equipment today!

ALLISON IRON HORSE CHEMICAL INDUCTION SYSTEM

12 Volt, High Volume Comes Complete with:

- Allison High Induction Chemical Injector
- 4 additional, easily interchangeable injector nozzles that will allow you to use this system on any pressure washer from 2 GPM thru 10 GPM.
- Induction Pump mounted on a convenient 'hand carry' base plate.
- This System can be detached from the Chemical Injector and utilized to spray undiluted chemical when you purchase Part #1596

The Injector comes set up with convenient 'quick connects'

*To be used with pressure type unloaders only.
Not sure what type of unloader you have? Call!*

Sale \$199.62
