

# What will you find at EnviroSpec.com? You just might be surprised.

First of all, you'll find an automatic **20% discount** for ordering online instead of calling by phone. Combine that with **free standard shipping** in most cases, plus an additional 10% off next month's order with **Bonus Bucks**, and your profit margin just got a big boost. Head to the website for details.

## How do you clean a gravestone?

That's just one of the many topics you'll come across on **How To Wash All Your Stuff**, a popular and informative feature on **Envirospec.com**. Here's another one: What would you use a Foam Cannon for? The answer to that question is found on yet another educational resource for mobile wash contractors, the **EnviroSpec Technical Library**. Sure, you know a lot. But you'll be amazed at what you'll learn here to add to your professional knowledge base.

## Hey, check out the equipment.

Your wife might not understand why you're sitting there staring at a 35 horsepower diesel **pressure washer** with a gleam in your eye. But we understand perfectly. **Engines. Pumps. Generators. Sprayers.** Compare specs and photos and prices for anything you might be looking for. And if it's on **EnviroSpec.com**, you know it's all rugged, quality stuff that we stand behind.

## Better cleaning through better chemistry.

Once mobile wash contractors discover the range of specialized detergents on **EnviroSpec.com**, they become customers for life. The secret? The powerful, high-shine magic of **SuperFlo Polymer™**. From truck engines to vinyl siding, from old wood to restaurant exhaust fans, you'll also find helpful info, instructions for use, and a Material Safety Data Sheet for each item. The best part? All **profits from chemicals go toward charities** for children, veterans and animals.

## Where will you find that hard-to-find part?

You guessed it. **EnviroSpec.com** has an enormous inventory of dependable accessories and anything else that might get worn out, lost or broken. **Filters, meters, valves, fittings**, you name it. And with express shipping, you'll get exactly what you need, when you need it, so you can **finish the job on time**. Isn't the Internet wonderful?

## EnviroSpec.com. One website. Everything you need.

If you haven't visited yet, you're welcome to come and poke around. It's about time you discovered what other smart cleaning professionals already know.

You can also learn more about EnviroSpec products when you get to our ad in the **centerfold of this magazine**.
