Allison "Super Suds Sucker" Up to 33%+ DRAW The Original "Super Suds Sucker" is back!

For those of you to new or young to remember...
...a few years back we designed a chemical injector that would just about suck the bottom out of the pail. Not only that - we were able to put as much as 500' of hose on the machine and still suck as much chemical as most injectors equipped with only 50' of hose.

Here are the two primary advantages of owning a **Super Suds Sucker** and when you think about it - what else is there?

Longevity - This could be the last injector you will ever buy. Most of the ones we built 10 years ago are still 'sucking' strong.

Product to Surface - When we first came out with this product we told people then that "if you cant get the product to the surface you may as well stay at home" - the same holds true today. With a **Super Suds Sucker** you will definitely get the product to the surface.

This
Month
\$27.95

For over 20 years...

John Allison operated a Mobile Wash company. During this time he recognized that all chemical injectors had one thing in common. None of them could get enough chemical on the surface. Since that time John has designed some of the finest injectors in the industry under the "**Super Suds Sucker**" logo. In the past the manufacturing cost was so high that it made it to difficult to bring them to market.

But now you can experience the precision of these high induction injectors at a much more affordable price!

Super Suds Sucker comes with additional nozzles that will handle from 2 to 10 GPM.
Complete with...

quick connects, chemical line & chemical filter.
READY TO GO!

What do most people say when they first try it?
NOW THIS SUCKS!

TRY A **Super Suds Sucker** TODAY!

NITRO SYSTEM

SYSTEM SPECIFICATIONS

- TSF2221B General Pump with Quick Drain Oil Plug
- Auto Shut-down if pump overheats
- Up to 8.5 GPM & 3500 PSI
- Tachometer & Hour Meter
- 12.75 HP Kohler Engine with Quick Drain Oil Plug
- 9 Gallon Fuel Tank
- Marine Grade Battery Box
- Dual Bearing Gear Drive with Quick Drain Oil Plug
- YU-2140 Unloader
- Safety Pressure Relief Valve
- Super Suds Sucker Injector
- High Induction Chemical Pump
- 50', 4,000 PSI Hose
- HD-1000 Gun w/Ceramic Ball
- Hose Whip installed on Gun
- 48" Stainless Steel Lance
- Trombone Dual Nozzle Holder
- Completely Assembled

Part # TNT13K85 Deluxe

TWO GUN SYSTEM

GENERAL-KOHLER

12.75 HP

8.5 GPM

LIST PRICE \$3,995.00
Only One Available at
\$2,495.00

We love doing the 'stuff' that no-one else thinks about or wants to do. That keeps us fresh and ready with answers when you have questions.

Here are some things to think about.

- Have you ever seen a 13 HP with a fuel pump that allows you to run off of external fuel tanks?
- How about a machine that will let you run...
 - 1 Gun at 4.25 GPM @ 3,000 PSI
 - or 1 Gun at 8.5 GPM @ 1500 PSI
 - or 2 Guns at 4.25 GPM @ 1500 PSI each
- How about a machine with a high pressure chemical induction system that will allow you to downstream more chemical than any other machine in the industry?
- Or equipment set-up with Quick Drain Oil Plugs, Tachometer/Hour Meter or a system that is 'smart' enough to shut down the engine should the pump overheat.

During the month of September 2009
IT IS SALE PRICED AT
\$1,995.00

signature Professional Pressure Washers are built for the 'long haul.' Unlike many manufacturers whose machines are driven by cost - Allison Iron Horse Systems are built with the very best components that money can buy and the bonus to you is...

...because you buy factory direct you can purchase an Iron Horse for a fraction over what you would pay for a system of much lesser quality.

This 18 HP Kohler Comes Hot Water Ready with a 20 AMP Recharging System.

Meet Suzie
who inspired this
incredible project.

Meet Suzie's friend Lucy. They were getting read to put her down but John & Shelley got to her just in time.

Now Paul and his family in Wisconsin have Lucy. As you can see they all want to live and will when given the chance and 'chances' are what we try to be good at.

MACHINE RAFFLE

Suzie's Friends Benefit

Paul Kassander is donating a brand new Pressure Washer to be raffled off and given away at the Myrtle Beach Round table on Sept 17-19, 2009. You need not be present to win the unit can be shipped to you. U-Pay Freight.

Call Paul, Mike or Denise
TODAY
and help save the life of a
Abused, Sick or Homeless
ANIMAL.

This is the Signature Series that is featured in this flyer for \$1995.00
Tickets are \$10.00 each.
Thanks Paul from all of Suzie's Friends
