- Premium Hi-Flow Water Filtration all systems
- 20 AMP Recharge on Premium / 25 AMP on Big Blocks
- Quick Drain Oil System on Premium & Big Blocks
- Compact Base Plate on Vibration Isolators

Allison IRON HORSE

Other companies are content with producing 'flashy' disposable systems which are little more than 'attention-grabbing' styling fantasies. At Allison Iron Horse we have put the difficult task of the contractor first and produced to a far higher and more complete level of engineering.

'Power & Performance in the hands of a few'

TNT DIRECT DRIVE SERIES
