

# Is there a need for a **Live Technical Website** in our Industry?

We need you to tell us what you want!

We can do it. It will be staffed by our  
**SENIOR SYSTEMS TECHNICIAN**  
Richard Klingensmith.

Anyone who has talked to Richard in the past knows  
that he is the one person to call when things stop working!

Please reply to this Blaster and in the Subject Line type either..

**TECH SITE YES** or **TECH SITE NO**
