

The Unloader that will replace **ALL UNLOADERS**

New from EnviroSpec

...the people who have brought to the industry more great products than all other companies combined.

The Unloader that has all the **GREATEST FEATURES** of every unloader you have ever liked!

'Zero' pressure by-pass producing a 'limp' hose while in by-pass!

Feels even better than the K-7 or any other unloader on the market!

One size fits all! No need to try and size an unloader to the GPM of your machine!

Adjust like a pressure unloader and feels better than a flow!

AU1145 \$109.95

...up to 11 GPM & 4,500 PSI
Replaces all unloaders in this range

AU2145 \$199.95

...up to 21 GPM & 4,500 PSI
Replaces YU2140 & all other unloaders in this range.

...and another great feature is - you will never have to purchase an easy-pull trigger gun again! This unloader makes every gun so easy to pull that even a 2-year old can pull the trigger with only one finger and that is not an exaggeration!
