

MATERIAL SAFETY DATA SHEET

Product & Company Identification

Common Name..... **KLINGON**
Version #..... 1
Revision Date..... New
Manufacturer..... EnviroSpec, 751 MLK Highway, Homerville, GA 31634

Emergency Phone Number... **CHEMTREC 1-800-424-9300**
General Information..... 1-800-346-4876

Chemical Name Gum
Chemical Family..... Polysaccharide (main component)
Formula..... N/A
CAS NO 9000-30-0

Hazardous Ingredients

Hazardous Components Material can burn when exposed to very high temperatures and flame.
Hazard..... N/A
TLV N/A

Physical & Chemical Characteristics

Flammability As with any fine particulate matter, fine dust dispersed in air in sufficient concentrations is a potential explosion hazard around ignition sources. Fire is possible at elevated temperatures or by contact with ignition source.
Boiling Point..... N/A
Specific Gravity..... N/A
Vapor Pressure N/A
Percent Volatile By Volume Not determined
Vapor Density (Air=1) N/A
Evaporation Rate N/A
Solubility In Water Readily soluble
Reactivity In Water/ Air..... Not reactive
Flash Point Not determined

Flammable Limits In Air % By Volume

Lower Not determined
Upper Not determined
Auto-Ignition Temperature..... Not determined
Extinguisher Media..... CO₂ water mist, foam or dry extinguishing media
Fire Fighting Procedures Firefighters should wear full protective clothing including self-contained breathing apparatus.

Physical Hazards

Stability..... Stable
Incompatibility Not Known
Conditions To Avoid..... Keep away from heat, flame, sparks, and other ignition sources.

Hazardous Decomposition Products

..... When heated to decomposition can emit acrimonious odor.

Hazardous Polymerization..... Will not occur

Health Hazards

OSHA PERM. Exposure Limit.. None established
Other Exposure Limit Used N/A

SIGNS & SYMPTOMS OF EXPOSURE

Overexposure (Acute) Not determined
Overexposure (Chronic)..... Not determined
Medical Conditions Generally
Aggravated By Exposure Not determined
Primary Route(S) Of Exposure Breathing; dermal contact.

Emergency & First Aid

Procedures Flush with water. Provide fresh air.
Hygienic Practice..... Normal Good Manufacturing/Housekeeping Practices
Chemical Listed as Carcinogen
Or Potential Carcinogen..... Not listed

Special Protection Information

Respiratory Dust mask
Ventilation Good local ventilation
Work Practices Normal GMP
Gloves Rubber if gross contact is likely
Eyes Safety goggles with side shields
Other Cover exposed skin as needed

Special Precautions & Spill/Leak Procedures

Handling/storage Normal GMP storage and handling procedure. Store in sealed container to prevent dusting.
Procedures For Spills..... Vacuum or sweep up spills. Dispose properly. SLIPPERY WHEN WET.
Waste Disposal Dispose in applicable manner according to regulations.

Additional Information

Date Printed..... 4/28/2010
