

Sirocco

Performance Vacuums

#PEV series Vacuum-Reclaim Systems

The Sirocco™ PEV series vacuums are the most affordable, effective, **multi-function vacuum systems** on the market. Whether you're vacuuming a warehouse floor, or reclaiming water from a **fleet-wash** job on a parking lot, the Sirocco™ PEV 3-stage vacuums **will perform** the job quickly and efficiently. It's all about Work Speed!

With the convenience of the **Auto Pump-Out** feature, you'll not have to stop working to dump your waste tank of liquid ...Up to 15 gpm!!!
With the vacuum running!!!

High capacity Slide-In Filter stops sand and larger debris, but also traps any floating oil !

Cart Frame is optional for portability on all terrain. **Powder coated and Beefy!** It has a hose rack on the back for up to 75 ft. hose, and steel wheels with tires that don't go flat.

SandTraps are available for additional solids capacity, and grease traps too..
 Many accessories are available...

Waste Recovery Tanks are D.O.T. approved, and super durable, triple-step powder-coated to maintain their good looks for rust resistance, and abuseability.

Cam-lock hose attachments for quick, easy set up of jobs.

Our super duty **PVC hoses** have spiral reinforcement, are crush resistant, abrasion and chemical resistant. Bulk **sand** hose is also available, for **hydro-excavating**.

The patented **VacuBerm** is inexpensive, lightweight and very durable. It even picks up water on **rough** surfaces! Available in 4, 6, 10, 12 and 18ft assemblies.

PEV2 model is Super **Powerful**... 200cfm and **137"** H₂O suction-Lift... that's over 10 feet!

With 2 **beefy** 3-stage vac-motors, this is the most powerful machine made **for 120 volts**, from a 20 amp dedicated outlet, or a 5500watt generator. (Add 1000 watts for auto-pump-out.)

You'll always be impressed. ...It's our top seller!

It is capable of running our 21" Vacuuming Surface Cleaner up to 100 ft. against 5gpm 4000psi!
