Severe Duty Performance Pumps

Allison Severe Duty Pumps will run harder & last longer than any pump in the industry and to show you just how confident we are that our Severe Duty pumps are better all you have to do is look at this warranty.

- 'Everything included' warranty for 2 years on Severe Duty Pumps.
- 10 Year Warranty on Head and Crank Shaft on Severe Duty Pumps
- 10 Year Warranty on Bearings and Connecting Rods on Severe Duty Pumps
- Larger Bearings for greater belt 'side-loads' means longer pump back-end life.
- Turned & Balanced Connecting Rods for the smoothest run in the industry.
- 'State of the Art' Packing Design means longer, uninterrupted run-times.
- Cool-run Technology through Extra Capacity Oil Sumps reduces pump wear.

JUST HOW GOOD IS AN

Allison

Severe Duty Performance Pump?

EnviroSpec will provide a full 2-year warranty on Allison Severe Duty Pumps purchased individually or any Allison Severe Duty Pump that is installed on a machine that we manufacture. This warranty covers virtually every component on the pump including 'high wear items' such as check valves, packings & oil seals.

EnviroSpec also provides a free oil change & 42-Point Inspection on the anniversary dates for the first two years. Simply call for an RGA, return the pump to us pre-paid and a certified systems technical will take over from there.

Our job and promise is to keep your equipment running with little to no down time and we do that by providing our customers with a certified pump inspection and service program that you can't get anywhere else.
